

**PORT ANGELES ARTS  
COUNCIL - PAAC**

**MEMBERSHIP APPLICATION**

**THE PORT ANGELES ARTS COUNCIL** is dedicated to nurturing the vitality of the arts as an essential ingredient of the quality of life for area residents and visitors. The council is a forum for artists and arts organizations, advocates for arts education at all levels, and serves to facilitate and advise the development of art projects in the public sphere.

Our intent is to coordinate the efforts of artists and art related businesses and organizations in order to promote all types of visual and performing and literary arts in Port Angeles. We provide a central clearinghouse using a web site with a calendar of art related events. We serve as a support organization for local art activities, have the ability to apply for grants, and allow donors to receive tax-deductible contributions for appropriate art supportive activities as a 501(c)(3) non-profit corporation. Consult your tax professional concerning deductibility of contributions.
